**MODERN SOCIETY IS HYPNOTIZED BY SOCIALISM. IT IS PREVENTED BY SOCIALISM FROM SEEING THE MORTAL DANGER IT IS IN. AND ONE OF THE GREATEST DANGERS OF ALL IS THAT YOU HAVE LOST ALL SENSE OF DANGER, YOU CANNOT EVEN SEE WHERE IT'S COMING FROM AS IT MOVES SWIFTLY TOWARDS YOU.**

In neither case did the government (taxpayers) cause harm to those who stand to benefit from loan forgiveness. In both cases everybody has standing because the actions Biden is advocating are violations of our social contract, the Constitution...Besides, the arguments for the Biden government are lies. Biden is championing the Progressive cause of socialism where one class of citizens work and another class of citizens benefit from the fruits of the first group's labor.

Graduate students, many of whom pursue professional degrees by attending law school or medical school, make up a large portion of federal student loan borrowers.

too many in the free world fail to see the real nature of Communism as the mortal foe of everything that we hold dear, of every moral and spiritual value. Too many are still prisoners of the illusion that Communism is, historically speaking, a progressive system [or] ... extreme liberalism temporarily making bad mistakes. Actually, Communism ... is an anti-social system in which there are embedded some of the worst features of savagery, slavery, feudalism and life-sapping exploitation manifested in the industrial revolution of early-day capitalism.

[t]oo many in the free world seem to have lost their capacity for moral indignation against the most brutal inhumanities when they are perpetrated by Communists. It is painful, but we must face the cruel facts of life. It is disturbing to me that many people in our country who call themselves liberals ... never find the time to utter a word of condemnation against the Communist imperialist destruction of the national independence and democratic rights of hundreds of millions of people in Europe and Asia.
